

Weekly Reports Summary Bundle

1. Weekly Reports Index

There is no exact folder named **Weekly Reports**, but weekly reporting material exists across the corporate files tree.

Primary weekly-report zones

Suites Reports Primary path: - /Users/bobeagle/Documents/TITAN GENERAL CONTRACTORS/CORPORATE FILES/Suites Reports

This appears to be the strongest operational weekly-report area.

Key weekly file families found here: - 2023 Weekly Deposits - 2024 Weekly Deposits - 2025 Weekly Deposits - 2026 Weekly Deposits - Weekly deposit chart files - Weekly rate property average

Financial Statements Primary path: - /Users/bobeagle/Documents/TITAN GENERAL CONTRACTORS/CORPORATE FILES/Financial Statements

Weekly file families found here: - 2022 weekly income statements - 2023 weekly income statements

Bank - Fin Info-SHARED Primary path: - /Users/bobeagle/Documents/TITAN GENERAL CONTRACTORS/CORPORATE FILES/Bank - Fin Info-SHARED

2. Weekly Report File Families Summary

Weekly Deposits

Examples: - 2023 Weekly Deposits.xlsx - 2024 Weekly Deposits.xlsx - 2025 Weekly Deposits.xlsx - 2026 Weekly Deposits Aug2025.xlsx - 2026 Weekly Deposits Feb 2026.xlsx

Why important: - strongest weekly cash-performance signal - useful for occupancy proxy, collections rhythm, and property-by-property review - likely highest-value weekly source family for operator reporting

Weekly Deposit Charts / Chart PDFs

Examples: - 2024 Weekly Deposits_Charts.xlsx - 2025 Weekly Deposits_Charts.xlsx - chart PDFs tied to weekly deposits

Why important: - visual trend support - management-ready summary artifacts - secondary to the raw weekly deposit books, but useful for presentation

Weekly Income Statements

Examples: - 2022 Jan - Sept 2022 Weekly Income Statement.xlsx - 2023 Weekly Income Statements.xlsx

Why important: - better for structured financial review than deposits alone - useful for profitability and operating-trend understanding

Weekly Rate / Pricing Support

Example: - Weekly Rate Property Average.xlsx

Why important: - helps connect occupancy/deposit performance with rate discipline - useful for pricing review and comparing properties

Weekly Rental Picture Sets / Before-and-After

Examples: - Pictures-Weekly Rentals Before & After.pdf

Why important: - more narrative / visual support than operator metric source - lower retrieval priority for daily reporting, but useful for presentations and project context

3. Highest-Value Weekly Files

Tier 1 — Core weekly operating/financial signal

Weekly Deposits workbooks Paths include: - /Users/bobeagle/Documents/TITAN GENERAL CONTRACTORS/CORPORATE FILES/Suites Reports/2023 Weekly Deposits.xlsx - /Users/bobeagle/Documents/TITAN GENERAL CONTRACTORS/CORPORATE FILES/Suites Reports/2024 Weekly Deposits.xlsx - /Users/bobeagle/Documents/TITAN GENERAL CONTRACTORS/CORPORATE FILES/Suites Reports/2025 Weekly Deposits.xlsx - /Users/bobeagle/Documents/TITAN GENERAL CONTRACTORS/CORPORATE FILES/Suites Reports/2026 Weekly Deposits Aug2025.xlsx - /Users/bobeagle/Documents/TITAN GENERAL CONTRACTORS/CORPORATE FILES/Bank - Fin Info-SHARED/2026 Weekly Deposits Feb 2026.xlsx

Why high value: - closest recurring signal for portfolio operations - useful for weekly occupancy/cash/collections review

Weekly Income Statements Paths include: - /Users/bobeagle/Documents/TITAN GENERAL CONTRACTORS/CORPORATE FILES/Financial Statements/2022/2022 Jan - Sept 2022 Weekly Income Statement.xlsx - /Users/bobeagle/Documents/TITAN GENERAL CONTRACTORS/CORPORATE FILES/Financial Statements/2023/2023 Weekly Income Statements.xlsx

Why high value: - stronger financial interpretation layer than deposits alone - useful for trend and profitability analysis

Tier 2 — Pricing and management support

Weekly Rate Property Average Path: - /Users/bobeagle/Documents/TITAN GENERAL CONTRACTORS/CORPORATE FILES/Suites Reports/Weekly Rate Property Average.xlsx

Why high value: - useful for linking room performance to pricing - important for management and yield-type thinking

Tier 3 — Presentation support

Weekly deposit chart books and PDFs Paths include chart workbooks and chart PDFs under Suites Reports.

Why medium value: - useful for management review and visual presentation - secondary to raw data workbooks

Bottom line

For weekly operator reporting and ingestion, start with: 1. Weekly Deposits 2. Weekly Income Statements 3. Weekly Rate Property Average

Those three families are the most likely to create fast business value.
